Serving Texas with dirt since 1980

Category	Organic Product	Use	Application	Frequency
Diseases	Horticultural Corn Meal	controls fungus & algae	20 lbs/1000 sq. ft.	
	Hu-More Turf Builder (Green Bag)	fight fungus	100 lbs/1000 sq. ft.	
	Potassium Bicarbonate	fight fungus		
	Rose Defense	controls blackspot, powdery mildew, rust	see directions	weekly
Insects	Anti Fuego Soil Conditioner	drench insect mounds	4 oz./gal water	as necessary
	Beneficial Nematodes	control termites, grubs, ants, fleas, thrips	see directions	yearly
	Bioganic, Concentrated	pest control	8 oz./gal water	as necessary
	BT Worm Killer	control worms, caterpillars	4 tsp/gal water	weekly
	Cedar Flakes	control snail, slugs, pillbugs		
	Diatomaceous Earth	pest control	1-100 lbs./1000 sq. ft.	as necessary
	Dipel Dust	control worms, caterpillars	see directions	as necessary
	Fire Ant Killer	control fire ants	1/2 cup/gal water	as necessary
	Fish Emulsion	pest control	2 oz/1000 sq. ft.	2-3 times a year
	Green Lacewings	control aphids, spider mites, thrips, mealybugs, scale, worms		
	Hot Pepper Wax	repels insects		
	Insect Powder - Ecozone	pest control	see directions	as necessary
	Insecticidal Soap	pest control	see directions	as necessary
	Lady Bugs	control aphids, scale, thrips, mealybugs		
	Nolo Bait	grasshopper control	see directions	
	Orange Oil	pest control	1-2 oz/gal water	
	Praying Mantis (Egg Clutch)	pest control		
	Rose Defense	pest control	see directions	weekly
	Skeeter D'feeter	repels mosquitos, flies, gnats, spider	see directions	every 3 weeks
	Sluggo	kills slugs and snails	1 lb/1000 sq.ft.	
	Thuricide	control worms, caterpillars	4 tsp/gal water	weekly
Trichogramma Wasps	control worms, caterpillars		weekly	
Rodent Repellant	Fox Urine	repel rabbits, mice, etc.	see directions	
	Liquid Fence - RTU (Rabbit & Deer)	repel rabbits, deer		
	Liquid Fence - RTU (Dog & Cat)	repel dogs, cats		
Rodent Repellant	Plant Pro-Tec (Garlic Clips)	repels rabbits, mice, etc.		
Soil Amendment	Agrispon	stimulates microorganisms	1 tsp./gal water	monthly
	Bat Guano	add nitrogen	10-20 lbs/1000 sq. ft.	yearly
	Blood Meal	add nitrogen	10 lbs./1000 sq. ft.	yearly
	Bone Meal	add calcium & phosphorus	10 lbs./1000 sq. ft.	yearly
	Compost Maker	converts organic matter to rich mulch	see directions	
	Compost Microbes	inoculate compost piles	1/2 cup/ cubic yd.	
	Corn Gluten Meal	fertilizer	20 lbs/1000 sq. ft.	twice a year

	Earthworm Castings	beneficial bacteria & eggs	20 lbs/1000 sq. ft.	yearly
	Earthworms	enrich & aerate soil		
	Efficient Z	zeolite		
	Fertilizer - 5-2-4 Cow	fertilize soil		
	Fertilizer - 6-2-4 (Texas Tee)	fertilize soil		
	Fertilizer - 6-2-4 Chicken	fertilize soil		
	Fertilizer - 8-2-4 (Lady Bug)	fertilize soil		
	Fish Emulsion	adds potassium, greener foliage	2 oz/1000 sq. ft.	2-3 times a year
	Garret Juice	foliar feeding fertilizer	2-3 oz/gal water	as necessary
	Green Sand	adds iron, potash	10-20 lbs/1000 sq. ft.	
	Gypsum	neutralizes toxins, aeration		
	Hu-More Soil Builder (Purple Bag)	fertilize soil	see directions	
	Hu-More Turf Builder (Green Bag)	fertilize turf	100 lbs/1000 sq. ft.	
	Ironite	adds iron	see directions	as necessary
	John's Recipe	foliar feeding & drench	2 tb/gal water	monthly
	Kelp Extract	foliar feeding fertilizer	1tb/gal water	weekly
	Lava Sand	increases water holding capacity	10 lbs./1000 sq. ft.	yearly
	Liquid Fish	plant food	see directions	
	Medina Soil Activator	strong roots, better nutrient uptake, loosen soil	4-6 oz/gal water	monthly
	Molasses	stimulates microorganisms, add carbon, sulfur, potash	1 oz/gal water	
	Pine Straw	excellent mulch, adds acidity	3-5 in. thick	
	Rocket Fuel	seedling & transplant fertilizer	1-2 tsp/ quart soil	
	Rose Food - 6-2-1	strong roots, green foliage, more blooms	see directions	every 6 weeks
Soil Amendment	Sea Tea	foliar feeding for plant growth	2 oz./gal water	
	Seaweed	boosts growth, adds nitrogen	see directions	weekly
	Seaweed, w/iron	fertilizer for acid-loving plants	1 capful/gal water	weekly
	Sick Tree Treatment	nourishes trees to fight infestations & infections	40 lbs/1000 sq.ft.	3 times a year
	Soft Rock Phosphate	root development	25 lbs/1000 sq.ft.	yearly
	Soil Conditioner-Tru-Gro (Expanded Shale)	controls moisture level in soil	see directions	one time app.
	Soil Food - 7-2-2	plant food		
	Soil Sul - liquid	liquid sulfur: lowers pH, greener foliage, improves water penetration	8 tbs/gal water	monthly
	Sulfur - Granular	improves seed production, greener foliage		
	Super Thrive	plant food, root stimulator	3 drops/gal water	each watering
	Superphosphate	increases seed & flower size & production		
	Terra Tonic	stimulates microorganisms, fertilizer, breaks down toxins	2 tb/gal water	4 times a year
	Zeolite	absorbs harmful elements in soil	10-50 lbs/ 1000 sq.ft.	as necessary
Weed Control	Corn Gluten Meal	pre-emergent	20 lbs/1000 sq. ft.	twice a year
	White Vinegar	kills weeds	1/2 oz./gal water	as necessary
